How your fundraising makes a difference

The Passmore family have had a very difficult start to life, with both 6-year old Olivia and 6-month old Oakley diagnosed with CGD.

Their mum, Deven, said:

“Living day to day with CGD has quite an impact on all of us but especially Olivia, she must take daily medications which she has become a pro at. But there are so many extra precautions to take to keep her well which is hard.”

The family have had support from the CGD Society's Clinical Nurse Specialist, who is fully funded by the charity. Deven said:

“I don't think we would have been able to get through this without the CGD specialist nurse Helen Braggins, she is absolutely incredible anything we need she is on the other end of the phone. She will email me after every appointment and clarify what happened/plans as she knows I get really overwhelmed. Anything she can help with – she will. She is such an asset to us, and I couldn't be more grateful she is with us through this journey.”

By donating to the CGD Society, you are directly supporting families like the Passmores.

How you can get involved

We are so grateful for everyone that supports us - big or small! If you're thinking of getting involved, please do get in touch and we will support you every step of the way.

Sign up to a run/walk/cycle (or any activity of your choice!) and choose CGD Society to raise funds for.

Host your own event, wherever and whenever! We would love to see your creativity.

Ask your workplace to get involved with a fundraising day including a bake sale or fancy dress!

How do we support you?

Our team is on hand to ensure you have the most seamless fundraising experience possible.

What we can provide:
